

Members Present: All

Meeting Time: Mar. 9, 1 pm

Meeting Location: ECCR

- Met to discuss 6 main features of our app and each feature functional and non-functional requirements.
- Discussed future features that we can implement if time permits
- Created a project plan on Trello
 - Outlined all the different pages that need to be worked on
 - Outlined the different features for each page
 - Figured out which people are working on each feature
 - Figured out due dates for each feature
 - Decided which layout features to implement by March 14 for the demo
 - Decided to finish main components of app for one game by the end of spring break
