Meeting time: March 2, 1 pm

Meeting Location: ECCR

- Met to discuss project requirements in-depth for Milestone 2
- Laid out features for our Home page, Game page, Sign-up page, and About Us page
- Discussed some elements of back-end implementation for storing data
- Discussed extra features that could be added time permitting
- Established the layout of features on Home page, Game page. Layout of Sign-up and About Us pages will be addressed later since they are mostly text-based elements with little functionality
